

Technodiazio

2 – 3

Born from a twenty years experience in the diazo machines production, the **TECHNODIAZO** distinguishes itself for its new technological solutions.

A high level rationalization assures high reliability and easy maintenance. The modern and essential design is in keeping with all furniture solution of the office.

A great care has been used to make the **TECHNODIAZO** of ergonomic use.

The residual ammonia vapours of the closed circuit and of the copy 95% neutralized by the "NEOFILTER" system, allowing the installation of the **TECHNODIAZO** in any offices with no problem.

As a further possibility, the residual vapours instead of going through a filter, can be conveyed outside through an exhaust pipe.
